This includes processing for marketing, business development, statistical and management purposes.

We may process your personal data for certain additional purposes with your consent, and in these limited circumstances where your consent is required for the processing of your personal data then you have the right to withdraw your consent to processing for such specific purposes.

Should it be necessary to use your personal data for a new purpose, we will notify you and communicate the legal basis which allows us to do so before starting any new processing.

## **6. DATA SHARING**

### **Why might you share my personal data with third parties?**

We will share your personal data with third parties where we are required by law, where it is necessary to administer the relationship between us or where we have another legitimate interest in doing so.

### **Which third-party service providers process my personal data?**

“Third parties” includes third-party service providers and other entities within our group. The following activities are carried out by third-party service providers: IT and cloud services, professional advisory services, administration services, marketing services and banking services, pension and investments.

All of our third-party service providers are required to take commercially reasonable and appropriate security measures to protect your personal data. We only permit our third-party service providers to process your personal data for specified purposes and in accordance with our instructions.

### **What about other third parties?**

We may share your personal data with other third parties, for example in the context of the possible sale or restructuring of the business. We may also need to share your personal data with a regulator or to otherwise comply with the law.

## **7. TRANSFERRING PERSONAL DATA OUTSIDE THE EUROPEAN ECONOMIC AREA (EEA)**

As part of the services offered to you, the information which you give to us may be transferred to countries outside the European Union ("EU"). For example, some of our third-party providers may be located outside of the EU. Where this is the case we will take steps to make sure the right security measures are taken so that your privacy rights continue to be protected as outlined in this policy. By submitting your personal data, you are agreeing to this transfer, storing or processing. Where our third-party suppliers are in the US we have ensured that their services fall under the "[Privacy Shield](#)" whereby participating companies are deemed to have adequate protection and therefore facilitate the transfer of information from the EU to the US.

If you use our services while you are outside the EU, your information may be transferred outside the EU to give you those services.

## **8. DATA SECURITY**

We have put in place commercially reasonable and appropriate security measures to prevent your personal data from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, we limit access to your personal data to those employees, agents, contractors and other third parties who have a business need to know. They will only process your personal data on our instructions and they are subject to a duty of confidentiality.

We have put in place procedures to deal with any suspected data security breach and will notify you and any applicable regulator of a suspected breach where we are legally required to do so.

Non-sensitive details (your email address, etc) are sent normally over the internet, and this can never be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, we cannot guarantee the security of any information you transmit to us, and you do so at your own risk. Once we receive your information, we make our best effort to ensure its security on our systems. Where we have given (or where you have chosen) a password which enable you to access certain parts of our websites, you are responsible for keeping this password confidential. We ask you not to share your password with anyone.

## **9. RIGHTS OF ACCESS, CORRECTION, ERASURE, AND RESTRICTION**

### **Your duty to inform us of changes**

It is important that the personal data we hold about you is accurate and current. Should your personal information change, please notify us of any changes of which we need to be made aware by contacting us, using the contact details below.

### **Your rights in connection with personal data**

Under certain circumstances, by law you have the right to:

- Request access to your personal data. This enables you to receive details of the personal data we hold about you and to check that we are processing it lawfully.
- Request correction of the personal data that we hold about you.
- Request erasure of your personal data. This enables you to ask us to delete or remove personal data where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal data where you have exercised your right to object to processing (see below).
- Object to processing of your personal data where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this basis. You also have the right to object where we are processing your personal information for direct marketing purposes.
- Request the restriction of processing of your personal data. This enables you to ask us to suspend the processing of personal data about you, for example if you want us to establish its accuracy or the reason for processing it.
- Request the transfer of your personal data to you or another data controller if the processing is based on consent, carried out by automated means and this is technically feasible.

If you want to exercise any of the above rights, please email our data protection point of contact [GDPR@wags.co.uk](mailto:GDPR@wags.co.uk).

You will not have to pay a fee to access your personal data (or to exercise any of the other rights). However, we may charge a reasonable fee if your request for access is clearly unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.

We may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights). This is another appropriate security measure to ensure that personal information is not disclosed to any person who has no right to receive it.

## **10. RIGHT TO WITHDRAW CONSENT**

In the limited circumstances where you may have provided your consent to the collection, processing and transfer of your personal data for a specific purpose (for example, in relation to direct marketing that you have indicated you would like to receive from us), you have the right to withdraw your consent for that specific processing at any time. To withdraw your consent, please email our data protection point of contact [GDPR@wags.co.uk](mailto:GDPR@wags.co.uk).

Once we have received notification that you have withdrawn your consent, we will no longer process your personal information (personal data) for the purpose or purposes you originally agreed to, unless we have another legitimate basis for doing so in law.

## **11. CHANGES TO THIS NOTICE**

Any changes we may make to our privacy notice in the future will be updated on our website at [www.wags.co.uk](http://www.wags.co.uk).
